

Sefar Printing Solutions can provide your shop with screens coated and ready to expose--just pull out the screen and image! Customers have the option for machine coated screens (using your preferred emulsion and to your coating specification requirements) or stencils prepared using our revolutionary fully-coated mesh, SEFAR® PCF FC. Call Sefar Printing Solutions Inside Sales to obtain a quote for screen coating service: 609-613-5000, Toll Free 800-141-1401.
